

Workshop Bolin Centre for Climate Research Area 4: Biogeochemical cycles and climate

Dear Bolin Centre members,

We would like to invite you to a RA-4 workshop on Biogeochemical Cycles and Climate. During the workshop we want to learn about your recent research results and want to discuss future research directions in RA-4. This year's workshop will take place on October 17, 13:00 – 17:00. The venue will be announced soon.

Please register for the workshop by October 3 by responding to this e-mail to Volker Brüchert (volker.bruchert@geo.su.se) with a short sentence: *"I will participate in the workshop on October 17."* Please forward this e-mail to members of your group that may not yet be members of the Bolin Centre.

Tentative schedule:

Block 1:

Welcome: 5 min

Overview project activities: 15 minutes

Innovation projects, Human science collaboration

Block 2: (14:00 -)

Talks by participants: Each max 5 min or longer? How formal?

Coffee break

Block 3: (Future activities)

Presentation of project ideas by participants

Flagship project proposal

Large collaborative initiatives

Current budget

Future leadership
