

28 May 2021, 10:00

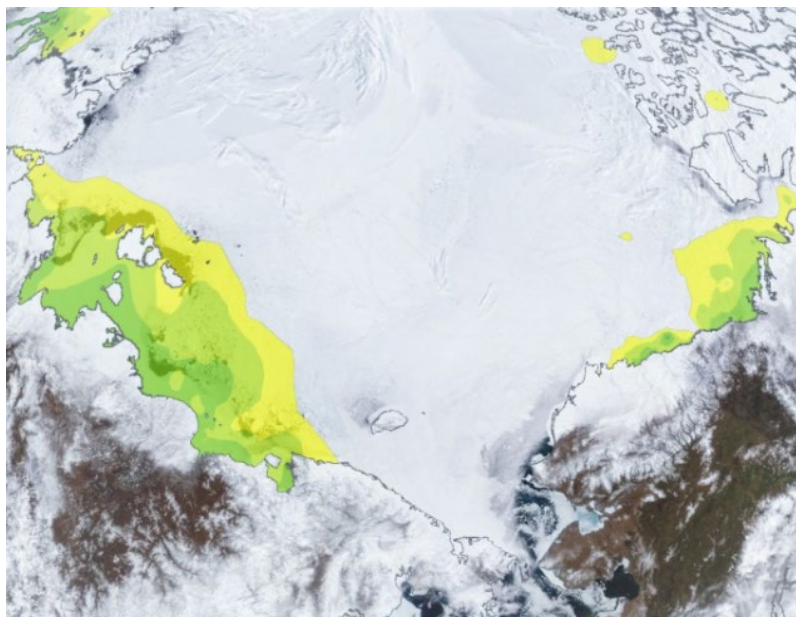

De Geersalen, Geovetenskapens hus
Stockholm University, Svante Arrhenius väg 14
and online

<https://stockholmuniversity.zoom.us/j/65850994813>

Jannik Martens

will defend his thesis:

“Remobilization of terrestrial carbon across
temporal and spatial scales deduced from the
Arctic Ocean sediment record”

All are welcome to attend on Zoom!
