

Elections and Nominations

Notation guide

($n+m$): n is the number of ordinary representatives and m is the number of secondaries that NFR elects

(Swe (R)): (Swe) indicates that Swedish is required, (R), that only reading (Swedish) is required

(Low/Medium/High): Indicates how high the workload is

Names in italics show where PhD students at Fysikum have been representatives the last year and the prefix O/S indicates whether the member is ordinary or secondary.
