## Sigrid Arrhenius scholarship fund at the Faculty of Science at Stockholm University

The scholarship is awarded as economic support to promising researchers at the Faculty of Science at Stockholm University. The recipient of the scholarship is expected to obtain a PhD degree and is working on a PhD thesis in one of the following subject areas – **PHYSICS, CHEMISTRY, MATHEMATICS, ASTRONOMY, GEOLOGY or METEOROLOGY**.

The PhD thesis is expected to be defended during 2022 or 2023. The applicant must not have defended the thesis before the end of the application period.

A scholarship amounting to 61.000 kronor will be awarded.

The application shall be made on a separate application form. The application form is attached. The application shall be emailed as an email attachment marked with your **name.lastname.pdf** to [registrator@su.se](mailto:registrator@su.se) and a copy to [katarina.gustafsson@su.se](mailto:katarina.gustafsson@su.se) no later than February 21, 2022. Specify **Dnr SU FV-0303-22** in the subject line of your email.

Disclaimer: In case of discrepancy between the Swedish original and the English translation of the scholarship announcement, the Swedish version takes precedence.
