

BILS Annual Symposium and User Meeting 2014

Bioinformatics in proteomics and RNA sequencing

Wednesday 12 November 2014 10h00-16h00

Lund, Medicon Village, Hörsalen

PROGRAMME

- 10:00 – 10:15 Registration and Coffee
- 10:15 – 11:00 Bengt Persson: Welcome and Presentation of BILS and ELIXIR
- 11:00 – 11:45 Keynote I: Maria Warnefors *TBA*
- 11:45 – 12:00 BILS Session I – Secure data storage
- 12:00 – 13:00 Lunch and Mingling session – Meet BILS staff and ask your questions
- 13:00 – 13:45 Keynote II: Bernhard Kuster: *Mass spectrometric draft of the human proteome in ProteomicsDB*
- 13:45 – 14:15 BILS Session II – Proteomics infrastructure
- 14:15 – 14:45 Coffee
- 14:45 – 15:15 BILS Session III – RNA sequencing example
- 15:15 – 16:00 Keynote III: Johan Vallon-Christersson: *Informatics for large scale mRNA sequencing of breast cancer*

The symposium is free of charge

Please register before Wednesday 29 October by sending an e-mail to symposium2014@bils.se for coffee and lunch

Welcome!
